

STAMP AROUND

A comprehensive list of Great Britain
and British Commonwealth stamps
E-MAIL - stamps@stamparound.com

Hello Great Britain and British Commonwealth Stamp Collector,

This is our very latest list updated "09OCT20". Here you can buy stamps of Great Britain and the British Commonwealth at 45% of the 2021 Scott or 2019 Gibbons Catalog. That's a 55% discount from the retail price. The right hand column is the latest Scott Catalog value. You pay only 45% of this amount (with minimum). Due to the massive size of the list it is split into two (GB + A to H, and I to Z).

You will need the Scott catalogs to get the number of each stamp that you need to complete your collection. The cost of the catalogs is very high at about \$840 per complete set. So, we suggest you go to your local library, stamp club or stamp store to get the numbers you need to order here. You can also buy older editions at much reduced prices online, although the catalog values may not be the same. You might want to consider the Stanley Gibbons British Commonwealth Catalogue which is now in one hardback volume priced at about \$130. (Part 2, issues after 1970, was discontinued from 2003). Gibbons is much more complete than Scott, with hundreds of varieties etc. not listed in Scott, e.g. inverted and reversed watermarks. The exchange rate used here is \$1.50 per £1 (it varies, you can ask for an adjustment).

Don't expect all the classics to be in perfect condition like modern stamps. Hinging was the normal procedure for the majority of collectors prior to about 1960. Anything prior to 1960 that is MNH is usually from a Dealer's stockbook or from a collector's glassines that were never put into an album, or regummed. Our advice is to collect hinged stamps 1950's and earlier. If you are lucky and come across MNH then replace the hinged ones you have. Many classic stamps over 100 years old are without gum, have tattered perforations and are not centered. This is normal for many classics.

We try to be as accurate as we can on our classic stamp descriptions. For example if there is no gum, it will say "ng" (see list of abbreviations, page 1).

Due to our very low prices, we do require that your total order is a minimum of \$27.00 (\$60 total catalog). If your total order is under \$60 catalog, you can still buy them at half price (50% off). We would strongly suggest that you list alternatives.

Preferred payment is by Credit Card with a \$20 minimum. All U.S. orders are shipped by First Class Certified mail for a minimum of \$4.45 per order which includes \$3.55 for Certified Mail. If you have a large order or are buying several souvenir sheets, then shipping will be \$7.75 for Priority Mail with Delivery Confirmation and tracking. Foreign destinations please email us for exact shipping cost.

WE USE STAMPS ON ALL SHIPPED ORDERS (no meter labels). All stamps on the envelopes are hand-cancelled.

Guarantee: If for any acceptable reason, you are not completely satisfied with an item, please contact us first and we will decide if you may return it by certified mail to our address in its original condition and in its original glassine or wrapper for a full refund or credit against any future order.

Thank you,
