

## STAMP AROUND

A comprehensive list of  
France and colonies stamps  
E-MAIL: [stamps@stamparound.com](mailto:stamps@stamparound.com)

Bonjour,

This is our very latest France and colonies list, dated "09OCT20". Here you can buy stamps of France and colonies from 50% of Scott 2021 Catalog value. That's up to a 50% discount from Scott's retail prices. The right hand column shows the latest Scott Catalog value. You pay from 50% of this amount.

You will need the Scott catalogs to get the number of each stamp that you need to complete your collection. The cost of the catalogs is very high at about \$840 per set of 6 with 2 parts each. So, we suggest you go to your local library, local stamp club or stamp store to get the numbers you need to order here. You can also buy older editions at much reduced prices online, although the catalog values will not necessarily be the same.

Don't expect all the classics to be in perfect condition like modern stamps. Hinging was the normal procedure for the majority of collectors prior to about 1960. Anything prior to 1960 that is MNH is usually from a Dealer's stockbook or from a collector's glassines that were never put into an album, or regummed. Our advice is to collect hinged stamps 1950's and earlier. If you are lucky and come across MNH then replace the hinged ones you have. Many 100 year old classic stamps are without gum, have tattered perforations and are not centered. This is normal for many classics.

We try to be as accurate as we can on our classic stamp descriptions. For example if there is no gum, it will say "ng" (see list of abbreviations, page 1).

Preferred payment is by Credit Card with a \$25 minimum. All U.S. orders are shipped by First Class Certified mail for a minimum of \$4.45 per order which includes \$3.55 for Certified Mail. If you have a large order or are buying several souvenir sheets, then shipping will be \$7.75 for Priority Mail with Delivery Confirmation. Foreign destinations please email us for exact shipping cost.

WE USE STAMPS ON ALL SHIPPED ORDERS (no meter labels). All stamps on the envelopes are hand-cancelled.

Guarantee: If for any acceptable reason, you are not completely satisfied with an item, please contact us first and we will decide if you may return it by certified mail to our address in its original condition and in its original glassine or wrapper for a full refund or credit against any future order.

Merci Beaucoup,

<p><b>CENTERING</b>                  xf = extra fine. The design is perfectly centered.                  vf = very fine. Well-centered, but not quite perfect.                  f-vf = fine to very fine. Between f and vf.                  f = fine. Off-center, perfsdo not cut the design.                  avg = average. Perfs cut into the design on 1 side.</p> <p>All 20th century stamps listed are f-vf, unless otherwise noted. Expect average stamps from the 19th century where perfect stamps are rare, if not impossible, to come by. YOUR PRICE

The right hand column shows the latest Scott Catalog value. You only pay from 50% to 60% of this amount (see Order Form for details).

PREVIOUS LISTS

This is the very latest list, dated "09OCT20" at the top left of each page. Please discard all previous printed lists as they are now out-of-date.

ERRORS

If you see any errors in catalog prices or numbers on this list, please let us know so that we can correct them in the computer, on the next update. The correct catalog price in the latest available catalog will be the price actually used to determine the discount.

IMPORTANT: A lot of stock, especially 1950 and earlier, are one of a kind. So please list alternate choices on a separate piece of paper.

WANT LISTS

Sorry, time does not permit us to accept your want lists. Everything we have in stock is on this list. Nothing is held back. We are constantly buying new material and new additions will be added to future lists.

BUYING

We will buy your France and Colonies duplicates. We are interested in MNH complete sets & souvenir sheets, especially for the period 1984 to 2020. We are also looking for MNH and MLH sets prior to 1960. Also singles, mint or used 1840 to 1940. Just contact us with a brief outline of what you have.

We will make you a prompt offer. If not accepted, we will return the stamps to you.

GREAT BRITAIN & BRITISH COMMONWEALTH

We have a Great Britain and British Commonwealth list which is also available on request priced from 45% of the 2021 Scott catalog.

REST OF THE WORLD

Also ask for our list for stamps from the Rest of the World at 45% of catalog value (with minimum). Currently being updated.
